

## **AQUATIC FACILITY OPERATOR COURSE**

Become nationally certified as an AFO, receive 1.5 CEU's and a Certificate of Completion and Certification Card. Certification is valid for 5 years. This 2 day course features the new Aquatic Facility Operator Manual, one of the most current publications available on pool operations. The manual undergoes revision every three years to keep current with changing technology. This text is not only understandable, but you will enjoy reading it as well.

## **AQUATIC FACILITY OPERATOR CERTIFICATION COURSE**

### **2 Day Course Offering:**

**(8:30 am—5:00 p.m. both days)**

**Thursday, January 24 & Friday, January 25  
San Antonio, TX**

The Aquatic Facility Operator (AFO) Course is an 2 day training program specifically designed to meet the needs of those working in public and semi-public recreational pool or water park facilities. The AFO program offers unique discussions on risk management not usually directed towards operational personnel as well as training in proper water chemistry, water chemistry challenges and solutions. Upon successful completion of the AFO course and a 50 question open book exam, participants will be officially certified by the National Certification Board of the National Recreation & Parks Association.

Make checks payable to Safety First Aquatics, LLC. Once you are registered you will be required to pay and no Refunds will be given as materials have to be ordered in advance and paid for. If you are unable to attend you may send someone else in your place. If you have any questions, please contact Juliene Hefter, [jhefter@safetyfirstaquatics.com](mailto:jhefter@safetyfirstaquatics.com) or 262-894-9772.
